MULTIFUNCTIONAL RESIDENTIAL COMPLEX IN SABURTALO

 53 S.Tsintsadze Street

ABOUT PROJECT

Roomix Tsintsadze, a striking new development by Roomix Development, located at 53 Tsintsadze Street in Saburtalo. With its prime location, this complex is an ideal choice for those seeking an elegant residence or a high-potential investment in the city.

Designed by the renowned AB5 Architectural Bureau and visionary architect Lasha Losaberidze, **Roomix Tsintsadze** reflects a fresh approach to urban living. The 11-story building combines functional diversity with inviting public spaces, crafting a lively urban oasis that adds vibrancy to the city center.

On the first floor, residents and visitors will enjoy a thoughtfully designed commercial space, with plans for a top-tier fitness center set to open upon completion of the project. Office spaces on the second and third floors offer a sleek and flexible work environment.

Roomix Tsintsadze is designed to accommodate 98 families, each of whom will experience the comfort and convenience of a truly multifunctional building in one of the city's most dynamic districts. Construction is moving ahead at full pace, with the project set for completion by in the summer of 2025

EXCEPTIONAL LOCATION

Roomix Tsintsadze boasts a prime location at 53 Tsintsadze Street, just 600 meters from Tbilisi Central Park, providing residents with the perfect balance of urban convenience and green retreat.

With quick access to the Technical University metro station (just a 10-minute walk) and proximity to major roads like Kazbegi, Vazha-Pshavela, Gamsakhurdia avenue and Chabua Amirejibi Highway, Roomix Tsintsadze makes city navigation easy and time-efficient.

ELEGANT LOBBY

Our sophisticated lobby is designed to welcome residents and guests into a warm, modern space that feels like home from the moment you step inside.

A dedicated concierge service will be there to assist you, adding convenience and security to your experience.

The residential block has its private entrance, stairway and both passenger and freight elevators for added comfort.

To create an inviting and stylish atmosphere, the lobby features refined materials like LAMINAM paving stones, natural wood shelving and a carefully curated lighting system.

PARKING

The project includes a two-level underground parking designed to accommodate up to 80 vehicles, carefully positioned away from recreational spaces to preserve a calm, family-friendly environment in the courtyard.

COURTYARD & PLAY AREA

Although Tbilisi Central Park is nearby, we wanted residents to have their peaceful retreat right at home.

The courtyard offers landscaped green spaces with pedestrian pathways, a children's play area, and relaxing spots to unwind.

Fully fenced and secured 24/7, the courtyard provides a safe and comfortable environment for all family members.
